

## AMERICAN COCKATIEL SOCIETY (ACS)

The American Cockatiel Society was founded in 1977 and strives to cover the complete field of Cockatiels, from the perspective of the pet owner to that of champion exhibitor. It is with that in mind, that you are receiving this packet. Enclosed is all the information and forms that you need to get your Club affiliated as a new or renewed ACS Affiliated Club.

1. The Club Affiliation Form used to affiliate your club.
2. A list of current ACS Judges with their addresses and phone numbers.
3. Advanced Exhibitor Band Listings.
4. Specialty Show Application

It is recommended that the Club and Show affiliation be established as soon as possible prior to the show to permit time for publicity in the ACS magazine and on the ACS website. If your Club is ordering awards through ACS, it is imperative that the affiliation be received so ACS can process your request for awards in time for your show. We would appreciate that your Club Affiliation is submitted as early in the year as possible even though affiliations are accepted throughout the year.

- ACS Regional Shows: Clubs must submit on their application to host these shows. Also included when holding an ACS Regional Show, is the hosting of a Futurity. Please review the procedures for Futurity/Maturity

It is recommended that the material provided in this package be used to create your show program. Electronic copies of the ACS Standard and Show Point Chart are available and on the ACS website, <http://www.acstiels.com/>, to affiliated clubs, to assist in producing your show catalog. In addition, there is also an electronic version of the Secretary Book which works in MS Excel. Please check your club listings in the ACS magazine and on the ACS website to confirm all information accuracy.

If I can be of any assistance, please feel free to contact me at the phone number listed or by email.

Sincerely,

*Wendy*
